There are over 600 teenagers in foster care and homeless shelters on Long Island, many of whom often only have a garbage bag to keep their belongings in. Inspired by [No More Trash Bags for Foster Kids!](#) Case's for Cases and the host committee seek to bring this motto to the east end of Long Island by giving older foster and homeless youth a few basic essentials and comfort items in suitable cases with the support of our community.

We will provide the cases, raffle items, complimentary food and drinks and inspiration. You donate the essentials and comfort items as your price for admission - minimum \$30 value per family.

Suggestions for items are on Amazon Wish List below. Items can be donated in 3 ways:

1. Bring items to the event; or
2. Drop off items at [Wendy's Deli](#) (55 Middle Rd., Mattituck); or
3. Order via Amazon Wish List that will be delivered to Birthday Wishes in advance of the event www.bit.ly/BWwishlist

Birthday Wishes of Long Island is a 501(c)(3) that provides birthday parties to children living in local foster care, domestic violence, unaccompanied youth and family homeless shelters. See how many youth were served by Birthday Wishes in 2018 at [Birthday Wishes by the Numbers](#).
